# HOOKED on VIDEO GAMES?

SENSIBLE  
STRATEGIES  
HEALTHY  
LIMITS

FRIDAY FEBRUARY 13 • 7-9PM • UNITY OF VANCOUVER  
5840 OAK STREET, VANCOUVER

**T**he future is here. What if video games actually make kids smarter? What if emerging technologies serve to uncover fresh opportunities for creative expression and critical thinking, for the integration of learning, and for the development of talents? How can parents provide healthy limits? How can parents teach that moderation is best?

Learn sensible strategies to parent with structure, support, and supervision so youth may develop well-rounded life skills that are responsive to emerging technologies while ALSO achieving balance in their lives. It's not just that our future depends on it; youth of today are simply unstoppable with it.
