## COLLABORTIVE INQUIRY

**TURNING WHAT  
WE KNOW  
INTO ACTION!**

As you consider the 100 foundational guidelines offered in *Boy Smarts*, over 600 thoughtful questions and activities provided by *Boy Smarts Action Study Guide* will inspire your group to think critically and imaginatively about ways to help struggling students, especially boys.

You will increase your understanding and comfort level as you try new ideas in your classroom or at home. Collaborative inquiry will pool knowledge and generate creative plans of action that are best suited for your community.
