

BOY SMARTS

1 DAY WORKSHOP

AUGUST 27, 2008

GRAND FORKS

WITH BARRY MACDONALD

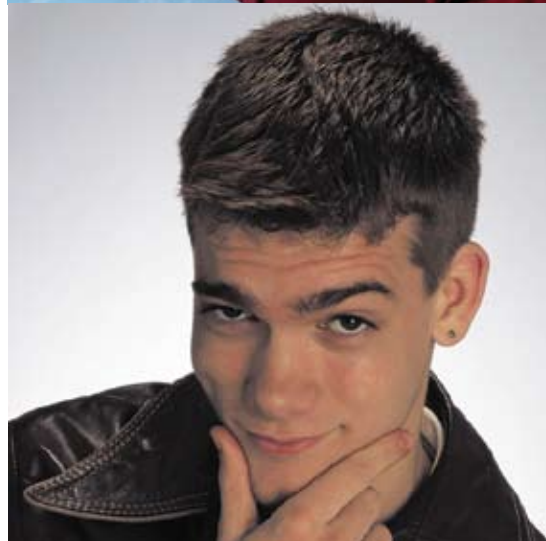

“As I travel throughout Canada and the world, I become increasingly aware that boys are falling behind girls in academic achievement. I commend Barry MacDonald for stimulating focused inquiry and dialogue about the varied learning needs of boys who struggle at school. This gender gap requires the urgent attention of

of school leaders.” *Dr. Avis Glaze, Ontario’s Education Commissioner and Senior Advisor to the Minister of Education and recipient of The Order of Ontario*

This Boy Smarts Workshop combines time-tested experience with state-of-the-art research to help boys rediscover their passion for learning while counteracting the malaise of modernity – over stimulation and under motivation. **Boy Smarts** goes beyond the headlines and hype about gender and offers powerful interventions to strengthen teaching practice for boys while also addressing girls’ needs. Fee includes a copy of *Boy Smarts - Mentoring Boys for Success at School*.
